Financial Aid Loans

Eligible DNP-CRNA students may borrow up to **1/3 of the annual \$20,500** per term in the Federal Direct Unsubsidized Loan Program. Students may choose to make interest payments while in school but are not required to until after they graduate or are no longer enrolled in at least three credits per term. Note that the Department of Education takes a 1% origination fee on all Federal Unsubsidized Direct Loans. As an example, the net amount disbursed on a \$6,833 Federal Direct Loan for one term will be \$6,764.

Federal Direct Loans have an aggregate borrowing limit of \$138,500*. This includes loans borrowed during an undergraduate degree program. If you have previously borrowed and would like to review your loan history, you can access this information at <https://studentaid.gov/> under “Manage Loans.”

First-time borrowers planning to utilize the William D. Ford Federal Direct Loan program at DeSales must complete the Master Promissory Note (MPN) and Entrance Counseling at <https://studentaid.gov/>. Please note that this process must only be completed once while you are enrolled at DeSales University. Federal Direct Loans cannot be processed for any repeated courses/clinical.

Additional Loan Options (Completed after May 1, 2026) Students are required to maximize their Unsubsidized Loan Eligibility prior to utilizing the additional loan options below:

Private Education Loans – Students may borrow through private lenders to support their education. These loans may require a cosigner. Private loan rates and terms vary based on the student/cosigner’s credit information, choice of a variable or fixed rate loan, and repayment options. Lender information and applications can be found at www.elmselect.com.

* Effective July 1, 2026, Federal Student Aid will implement changes under the One Big Beautiful Bill Act. Continuing students who have previously borrowed Federal Direct Loans will be grandfathered under the current regulations. For new borrowers, the aggregate borrowing limit for Federal Unsubsidized Direct Loans will be set at \$100,000, and the Graduate PLUS Loan program will be discontinued.
