Financial Aid Loans

Eligible PA students may borrow up to **\$10,250** per semester in the Federal Direct Unsubsidized Loan Program. Note that the Department of Education takes a 1% origination fee on all Federal Unsubsidized Direct Loans. As an example, the net amount disbursed on a \$10,250 Federal Direct Loan will be \$10,142. Students may choose to make interest payments while in school, but are not required to until after they graduate or are no longer enrolled in at least three credits per term. Federal Direct Loans have an aggregate borrowing limit of \$138,500*. This includes loans borrowed during an undergraduate degree program. If you have previously borrowed and would like to review your loan history, log into <https://studentaid.gov/> and view your “Dashboard.”

First-time borrowers planning to utilize the William D. Ford Federal Direct Loan program at DeSales must complete the Master Promissory Note (MPN) and Entrance Counseling at <https://studentaid.gov/>. Please note that this process must only be completed once while you are enrolled at DeSales University.

Federal Direct Loans cannot be processed for any repeated courses/clinicals.

Additional Loan Options (Completed after May 1, 2026) Students are required to maximize their Unsubsidized Loan Eligibility prior to utilizing the additional loan options below:

Private Education Loans – Students may borrow through private lenders to support their education. These loans may require a cosigner. Private loan rates and terms vary based on the student/cosigner’s credit information, choice of a variable or fixed rate loan, and repayment options. Lender information and applications can be found at www.elmselect.com.

Federal Graduate Plus Loan* - Information on this loan program can be found here: <https://studentaid.gov/understand-aid/types/loans/plus>. This loan may be deferred for six months after graduation or until the student enrolls less than three credits.

*** Effective July 1, 2026, Federal Student Aid will implement changes under the One Big Beautiful Bill Act. Continuing students who have previously borrowed Federal Direct Loans will be grandfathered under the current regulations. For new borrowers, the aggregate borrowing limit for Federal Unsubsidized Direct Loans will be set at \$100,000, and the Graduate PLUS Loan program will be discontinued.**

Billing and Payment Information:

If you use a portion of your financial aid for living expenses each semester, you may be eligible to receive a refund of any credit on your account after the drop/add period closes. There will be **NO** refunds issued unless there is a credit balance on your account. If you have received a refund based on your enrollment and you change your enrollment status, you may be required to repay all or a portion of the refund.
