

Accelerated BSN Program Information 2025-2026 **Class of 2025**

Financial Aid Application Process

Submit the 2025-2026 Free Application for Federal Student Aid (FAFSA) or the renewal FAFSA (for returning students) at <https://studentaid.gov> by May 1, 2025. Be sure to designate DeSales University with the school code of **003986**.

Since you obtained your 1st bachelor's degree in a major other than nursing, DeSales University is counting your core requirements toward your 2nd bachelor's. You will begin at junior level status for financial aid purposes.

First time Federal Direct Loan applicants at DeSales must complete an electronic Master Promissory Note and Entrance Counseling at <https://studentaid.gov/>. This process must only be completed once while enrolled at DeSales University.

Your Financial Aid eligibility is based on the information provided on the FAFSA and your enrollment. Email notifications are sent when award packages have been prepared. You can view your financial aid by logging into your WebAdvisor account and accessing the Financial Aid Checklist.

Financial Aid Loan Information

Students who complete a FAFSA will be considered for Federal Direct Student Loans. These low interest loans should be considered prior to applying for additional loans.

Students borrowing in the Federal Direct loan programs will not be required to make interest or principal payments until 6 months after graduation or when enrolled less than half-time.

Federal Direct Loans have an undergraduate borrowing limit of \$31,000 for Dependent students and \$57,500 for Independent students. This includes loans borrowed during your first degree. If you have previously borrowed and would like to review your loan history, log into <https://studentaid.gov/> and view your "Dashboard."

Additional Loan Options (Completed after May 1, 2025)

Federal Parent Plus Loan - Parents of dependent students can borrow through the Federal Parent Plus loan program. Information on this loan program can be found here: <https://studentaid.gov/understand-aid/types/loans/plus>. This loan has the option to be deferred until 6 months after graduation or if the student enrolls less than half-time. If a parent is denied the Plus loan, the student will be awarded an additional \$5,000 in the Unsubsidized loan program for the academic year.

Private Education Loans – Students may borrow through private lenders to support their education. These loans may require a cosigner. Private loan rates and terms vary based on the student/cosigner's credit information, choice of a variable or fixed rate loan, and repayment options. Lender information and applications can be found at www.elmselect.com.

**A comparison of the Federal Parent Plus Loan program vs. Private Education Loans can be found here: <https://studentaid.gov/understand-aid/types/loans/federal-vs-private>

The Financial Aid Office staff is available to meet on campus, virtually, or set up a call to discuss any questions you may have as you work through the process.
