

Financial Aid Information
Physician Assistant Class of 2031

Any scholarships and grants listed on the College Financial Plan are renewable for eight semesters (four academic years), provided the student maintains satisfactory academic progress as outlined in the University’s Undergraduate Course Catalog. Undergraduate students may also be eligible to borrow Federal Direct subsidized and/or unsubsidized loans. At the end of the Spring 2030 semester, students will graduate with a bachelor’s degree and are then eligible for graduate Federal aid. Students will begin to take graduate-level courses in the 2029-2030 academic year prior to earning a Bachelor’s degree.

The start of the Summer 2030 semester marks the beginning of student’s eligibility for graduate federal financial aid. Students may borrow from Federal Direct unsubsidized loans, Graduate Direct PLUS loan and/or Alternative (private) student loans.
